

## Curriculum Resources

**Business and Marketing Education Blog-** <https://coctebused.wordpress.com/>

Please subscribe to my blog. I will post monthly updates and you will be able to comment on issues of interest, as well as go back to find older resources in past blogs when you don't have time to read them right away.

### Schoology Resources

You can use these resources to create your own classes in Schoology or export them out to another LMS system. (Please email me for any assistance needed)

**Directions:**

- Login or create a new account in Schoology. Schoology.com (It is free if you don't have an account)
- Click on Groups/ Join a group/ enter access code: **6HMJM-WNSHT** (This is our Colorado Business and Marketing Group)
- On this front page you can post comments. Go to Resources (you will see the classes)

\*\* We are also looking to add onto these resources. So if you have good class activities, CTSO (DECA or FBLA) activities or chapter management materials you have created, please send them to myself, Jen or Brad. We will add them to these resources to create a repository for all.

### Colorado Secondary Business Administration Core

**Courses include:**

Computer Applications- Microsoft and G-Suite
